

7QUBES SaaS REQUIREMENTS & SPECS

1. SIGN UP
2. PROFILE SET UP
3. DASHBOARD
4. BUSINESS TOOLS SET UP
5. ADD ONS APIs

1.1. SIGN UP - LOGIN

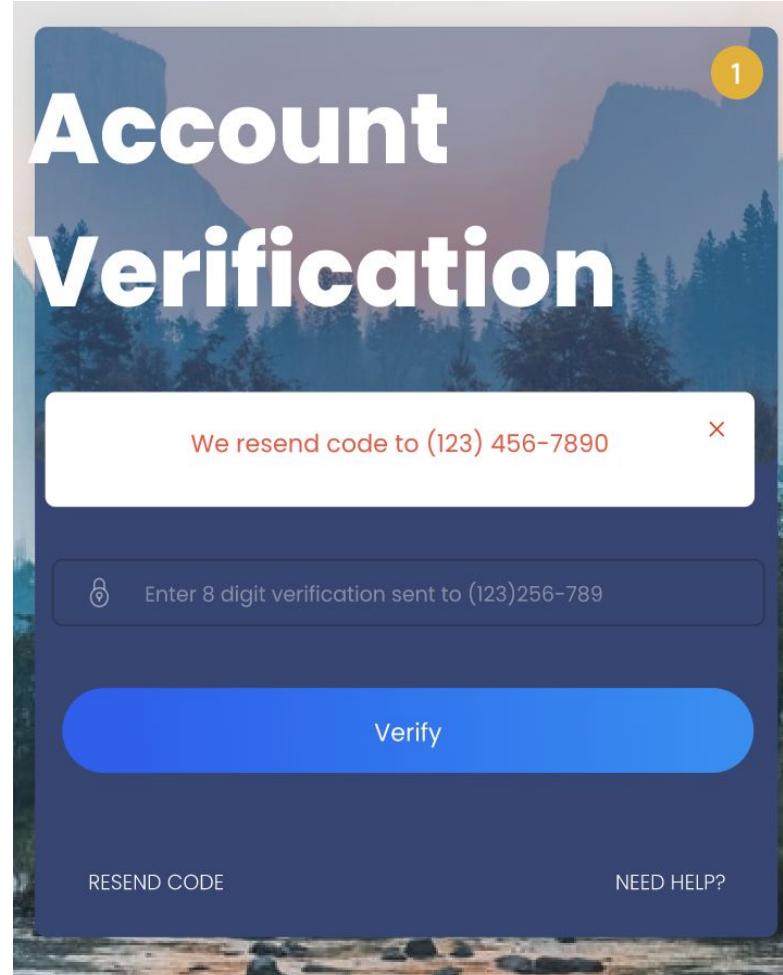

1.2. SIGN UP - REGISTER

The image shows a registration form titled "register" set against a backdrop of a river and mountains. The form includes fields for Company Name, Full Name, Email, Phone, Password, and Retype Password. A checkbox for terms and conditions is present, along with a "Get Started" button and a "Login" link.

- Agree checkbox must be checked to go to next**
- Click directs to 2FA verify screen**
- Company Name, fullname, email, phone, password(1upper,1lower, 1number, 1special char), repeat pwd, must match**
- Login link to login screen**
- Log all data, including browser, traffic, ip, timestamp, website conversion, renege, on all pages.**
- English, chinese, german, spanish, italian, arabic flag**

1.3. SIGN UP - Verification

Popup when
resend code click

Verify must match
to go to setup.

8 digit secure code
send to phone# from
registration, includes a
time limit on code.

Need help will open
popup to type in
either phone or
email to send code

2.1. PROFILE - Business Questionnaire

Tell us more
about your
business.

What's best described your business industry?

Travel Politics Consulting Marketing Music Technology Jewelry

Fashion Education Health & Beauty Interior Design Food Non-Profit Art

Clothes Cars House

Describe your site...

What are your top goals?

Sell products Sell services Collect donations Get appointments

Describe your goal...

What are you in your process?

Collecting Inspiration

Formalizing idea

Growing a business

Skip

Finish

This section will use the answers to run sentiment and projection analysis on the users.

1. What best described your business industry?
2. What are your top goals?
3. Where are you in your business journey?

User can skip or select to answer the questions

2.2. PROFILE - COMPANY SET UP

The screenshot shows the 7QUBES app interface for company profile setup. On the left, there's a sidebar with tabs: Company Profile (highlighted with a green circle), Users, Payment, and Splash Site (marked with a red X). The main area is titled "Company Profile" and contains fields for Company Name, SEO Description, Business Address, Phone Number, City, State, Postal Code, Country, EIN, and Website URL. A "Integrations" section at the bottom right includes a "www.url.com" input field and two checked checkboxes.

Highlight when on the tab.

Company Profile

Company Name: Name of Company

SEO Description: Company Description

Business Address: Business Address

Phone Number: 123-456-7890

City, State: City, State

Postal Code: 000000

Country: USA

EIN: 0000000000

Website URL: www.url.com

Integrations

Company add business info, all these will be used as contact on site or email sender list.

If check integrate website, splash site won't be active

company profile, must also indicate if it'll be used for website forms and communication, email and chat handle

Next

2.3. PROFILE - Users

The screenshot shows a company profile interface with a sidebar and a main content area. The sidebar includes sections for Company Name, Company Type, Company Profile, and a navigation menu with 'Users' selected. The main content area displays a 'Users' table with two rows: Don Draper and Peggy Olson. The table has columns for Owner, Admin, Developer, Billing, and status (Locked or invited). A callout bubble over the Billing column for Don Draper provides a detailed description of role permissions. A modal dialog titled 'Add User' is open, prompting for an email address and role selection (Administrator, Developer, Billing), with an 'Invite' button at the bottom.

Role Admin+owner can change user's role, admin is regular employee, developer can be IT or anyone who works on the app, billing user is someone who can view, update, process bills and payments

Add new member to the company, pop up dialog will ask admin to add in popup

An email will send with a link for user to sign up when invite click

3.2.1. DASHBOARD - CONTACTS(Overview listing)

The screenshot shows the 7QUBES Contacts dashboard. On the left is a sidebar with navigation links like Dashboards, Contacts (selected), Billing, Calendar, Communications, Social Media, Finance, Inventories, Website, Reports, and Analytics. The main area has a header with a search bar, a contacts search input, and a language selection for English. Below is a list of contacts with their names, titles, and email/phone numbers. Several interaction bubbles highlight specific features:

- A large oval labeled "Contacts search" covers the top search bar area.
- An oval labeled "Contacts can be sorted based on type and priority" points to the sorting dropdown in the contact list header.
- An oval labeled "Edit or delete a contact popup" points to a context menu for a contact entry.
- An oval labeled "Contact info screens" points to a contact's detailed information screen.

3.2.3. DASHBOARD - CONTACTS (Emergency contacts)

The screenshot shows a user profile for James Thompson. At the top, there's a navigation bar with a user icon, name, and a green 'X' over 'Contacts'. Below the navigation, the profile card for James Thompson includes a photo, name, location ('Florida, USA'), and tabs for 'General' (highlighted) and 'Emergency'. A large speech bubble says 'Only for employees and admin' with a red 'X' over 'Emergency'. To the right are stats: 2k+ Followers, 847 Following, 327 Friends, and a 'Settings' button.

Personal Information

Full Name James Thompson	Date of Birth 10/05/1987
Medical Conditions None listed	Medical Notes None Listed
Allergies & Reactions None listed	Medications None listed
Blood Type O negative	Organ Donor Yes
Weight 130 lb	Height 6' 2"

Medical Information

First name Kora
Last Name Kuhlik
Relationship Wife
Work email 801 - 724 - 6600 Ext. 1272
Mobile 801 - 724 - 6600
Email kora@gmail.com

Annotations:

- A large speech bubble on the left side of the profile card says 'Only for employees and admin' with a red 'X' over 'Emergency'.
- A large speech bubble on the right side of the emergency contact section says 'Emergency contact: can have more than 1, can add with + sign on corner' and lists 'Name, phone, cell, work, relationship, email,'.
- A large speech bubble at the bottom right points to the medical information section with the text 'Medical info: dr name, place, phone'.
- A large speech bubble on the far left points to the sidebar with the text 'Name, DOB, address, phone, email'.

3.2.4. DASHBOARD - CONTACTS (Documents)

The screenshot shows the 7QUBES dashboard interface. On the left, there's a sidebar with navigation links: Rob Farnandies (Profile), Dashboards, Contacts (highlighted with a green cross icon), and Billing. Below these are Inventories, Website, Reports, and Analytics. A large callout bubble on the left side points to the 'Contacts' link in the sidebar, with the text: "of documents sent or sent to get ed within the company or individual C".

The main content area displays a profile for James Thompson from Florida, USA. It includes a circular profile picture, the name 'James Thompson', and the location 'Florida, USA'. Below the profile are tabs: General, Emergency (highlighted with a red cross icon), and Agreements. To the right of the profile are statistics: 2k+ Followers, 847 Following, and 327 Friends. There's also a Settings button.

A large speech bubble labeled 'All businesses' is positioned above the Agreements section. The Agreements section itself has columns: ID #, Contractee, Doc., Type, and Status. The data is as follows:

ID #	Contractee	Doc.	Type	Status
4514	James Thompson	12	New Hire	Not Signed
			Documents required by Company for new hire.	
4514	James Thompson	12	New Hire	Signed
4514	James Thompson	12	New Hire	Signed
4514	James Thompson	12	New Hire	Signed
4514	James Thompson	12	New Hire	Signed

Each row in the table has a 'View' and 'Export' button next to the status. A speech bubble to the right of the table says 'Export or view document'. Another speech bubble at the bottom right says 'Documents can be send to sendee to get signature'.

At the bottom of the page, a copyright notice reads: Copyright - 7QUBES LLC © 2017-2020

3.2.5. DASHBOARD - CONTACTS (Document sign or view)

The screenshot displays the 7QUBES mobile application interface. On the left, a vertical navigation bar lists various sections: Dashboards, Contacts (highlighted with a green circle and a red 'X'), Billing, Calendar, Communications, Social Media, Finance, Inventories, Website, Reports, and Analytics. The main content area shows a contact profile for James Thompson from Florida, USA, with tabs for General, Emergency, and Agreements. A large speech bubble labeled "All businesses" is overlaid on the top right. Below it, another speech bubble says "Can view all pages". A document preview titled "New Hire" for James Thompson is shown, dated January 1, 2020, containing placeholder text. A third speech bubble labeled "Full document" points to this preview. At the bottom right, a large circular area contains the text "Signing box at bottom or in location indicated". The top right corner of the screen shows the 7QUBES logo, a language selector for English, and user statistics: 2k+ Followers, 847 Following, and 327 Friends.

3.3.4. DASHBOARD - BILLING(Make payment)

The screenshot shows the 7QUBES dashboard with the 'Billing' section selected. On the left sidebar, there is a green 'X' icon next to the 'Make Payment' option. The main area displays a payee details page for 'AllState'.

Payee Details:

Payee Name	AllState
Payee Nickname	AllState
Account Type	Checking
Checking Number	(...9872)
Payee Account	1234567890
Bank Account	JPMorgan Chase & Co.
Account Type	Business

Payment Options:

- Change or edit**: A callout points to the 'Edit' link in the top right corner of the payee card.
- Payment plan offer**: A callout points to the 'Schedule payment' checkbox in the payee card.
- Admin can edit**: A callout points to the 'Edit' link in the 'Account' section of the payment form.
- Admin can schedule payments**: A callout points to the 'Schedule' button at the bottom right of the payment form.

Payment Form Fields:

- If customer has payment account, or user has bank link: A callout points to the 'Choose amount' field.
- Type: A callout points to the 'Pay From' dropdown menu.

3.4. DASHBOARD - CALENDAR

The screenshot shows the 7QUBES dashboard with a sidebar on the left and a main calendar view on the right. The sidebar includes a user profile for Rob Farnandies, navigation links for Dashboards, Contacts, Billing, Calendars, Communications, Social Media, Finance, Inventories, Website, Reports, and Analytics. The 'Calendars' link is highlighted with a green X icon.

The main area features a calendar for October 2016 and a weekly agenda view. A blue box highlights a notification in the agenda view with the text: "Drag a notification from date into calendar and edit when click into it". Another blue box highlights a specific event entry with the text: "Manually create event".

On the right, a modal window titled "Add Event Title" is open, showing fields for "Event Details" (date, time, location, conferencing, notification, description), "Add guests" (Chase@7qubes.com), and a "Delete" button.

At the bottom, the footer reads: "Copyright - 7QUBES LLC © 2017-2020".

Annotations:

- Drag a notification from date into calendar and edit when click into it**: Points to a blue box containing a notification entry in the agenda view.
- Manually create event**: Points to a blue box containing a manually created event entry in the agenda view.

3.5.1. DASHBOARD - COMMUNICATIONS (Emails)

The screenshot shows the 7QUBES dashboard interface. On the left is a vertical sidebar with various menu items. The 'Email' item is highlighted with a green X icon. The main area is titled 'Mailbox' and shows a list of emails from different contacts. Two annotations are present: one pointing to the mailbox list with the text 'Email integration setup with view of mailboxes', and another pointing to the right side of the screen with the text 'Expand view or reply'.

3.5.2. DASHBOARD - COMMUNICATIONS (Emails compose)

The screenshot shows the 7QUBES dashboard with the 'Communications' section selected. The left sidebar includes links for Dashboards, Contacts, Billing, Calendar, Communications (Email, Chats, Video Calls, Support), Social Media, Finance, Inventories, Website, Reports, and Analytics. The main area displays a 'Compose' screen with a large green 'X' icon on the 'COMPOSE' button. Annotations highlight several features:

- A green circle labeled 'Print or star' points to the 'Print' and 'Star' icons in the top right.
- A green circle labeled 'Reply, reply all, forward, etc' points to the 'Reply', 'Forward', and 'Print' options in a dropdown menu.
- A large callout bubble labeled 'Compose email' points to the central 'Compose' button.

Key interface elements include:

- Search bars at the top: 'Search in app...' and 'Search Mails...'.
 - Language and help icon: English [?]
- Mailbox navigation: 'Compose' (highlighted with a green X), 'Inbox' (selected), 'Sent', 'Draft', 'Spam', 'Trash', 'Filters' (Starred, Important), and 'Labels' (Paypal, Upwork, In-House, Client).
- Message preview: 'Fusce a libero pellentesque' addressed to 'Dominic Harris'.
- Message content: A long block of Latin placeholder text.

3.5.3. DASHBOARD - COMMUNICATIONS (Chats, internal/external)

The screenshot shows the 7QUBES Communications dashboard. On the left, a blue sidebar menu lists various modules: Dashboards, Contacts, Billing, Calendar, Communications (selected), Email, Chats (highlighted with a green X), Video Calls, Support, Social Media, Finance, Inventories, Website, Reports, and Analytics. The main content area displays a list of recent chats under the 'All Chat' tab. Each chat entry includes the contact's profile picture, name, message preview, and timestamp. A search bar at the top allows users to search for contacts or start new conversations. A large callout bubble highlights the search feature with the text 'Search contact'. Another callout bubble highlights the active chat with the text 'Show active chat'. A third callout bubble highlights a message from 'John Smith' with the text 'Show different type of chat: internal, external, or group'. The bottom of the screen features a message input field with the placeholder 'Type and hit enter to send message'.

3.5.4. DASHBOARD - COMMUNICATIONS (Video calls/meetings)

The screenshot shows the 7QUBES dashboard with a blue sidebar containing various menu items. The 'Communications' item is highlighted with a green arrow pointing to it from the left. A callout bubble labeled 'click' points to the 'Instant meeting' button. Another callout bubble on the right contains the following text:

Video can be open instant or from scheduled. Users can be added ad hoc and recording of video is setup pre meeting.

3.5.5. DASHBOARD - COMMUNICATIONS (Chats, internal/external)

The dashboard features a sidebar with navigation links for Dashboards, Contacts, Billing, Calendar, Communications (Email, Chats, Video Calls, Support), Social Media, Finance, Inventories, Website, Reports, and Analytics. A green speech bubble icon with a red 'X' is placed over the 'Support' link. The main area has a search bar at the top right. Below it is a banner for '7QUBES Support' with a search input field. The central part of the dashboard displays six support categories: Customer Care, Partnering & Sponsorships, PR & Communications, Security Escalations, Technical Issues, and a placeholder for 'Chat or email support'. A blue button labeled 'Get help' is located at the bottom left. Two white speech bubbles with black outlines are overlaid on the page: one pointing to the 'Support' link in the sidebar and another pointing to the 'Chat or email support' placeholder.

3.6.2. DASHBOARD - SOCIAL MEDIA (Posting Media Scheduler)

The screenshot shows the 7QUBES Social Media Posting Media Scheduler interface. On the left, a blue sidebar menu lists various modules: Dashboards, Contacts, Billing, Calendar, Communications, Social Media (selected), Analytics, Automations, Finance, Inventories, Website, Reports, and Analytics. A green 'X' icon is placed over the 'Post Scheduling' item in the Social Media section. The main content area has a white header with a search bar ('Search in app...') and a language selector ('English'). Below the header, there are tabs for 'Social Media' and 'Search Social Media'. A sub-header 'Social Media' is followed by an 'Add Account' button and a list of accounts: Facebook (@username, checked), Instagram (@username, unchecked), and Twitter (@username, unchecked). To the right of the account list is a grid of 24 small images representing media files. A callout bubble points to this grid with the text: 'Media files download from google, dropbox or computer'. The main area features a weekly calendar grid from Monday to Sunday, each showing a date (e.g., Mon 08.03) and a time column from 7:00 to 12:00. A callout bubble points to the time table with the text: 'Schedule media posting drag and drop on time table'. Several media thumbnails are placed on the time grid: a green leaf at 9:30 on Monday, a pink square at 9:30 on Tuesday, a green square at 10:30 on Wednesday, and a blue square at 11:00 on Friday.

3.6.3. DASHBOARD - SOCIAL MEDIA (Automations of likes/followings/views)

The screenshot shows the 7QUBES dashboard interface for managing social media accounts. On the left sidebar, under the "Social Media" section, the "Automations" option is selected, indicated by a green checkmark icon. The main content area is titled "@Facebook" and displays various automation settings:

- Similar Accounts:** A grid of 10 blue circular buttons, each containing the text "@taylorfun" followed by a red 'X' button.
- Hashtags:** A grid of 10 blue circular buttons, each containing the text "@taylorfun" followed by a red 'X' button. A callout bubble points to this section with the text "Account tag type setup,".
- Locations:** A grid of 10 blue circular buttons, each containing the text "@taylorfun" followed by a red 'X' button.
- Interests:** A grid of 10 blue circular buttons, each containing the text "@taylorfun" followed by a red 'X' button.

On the right side of the interface, there are two additional buttons: "ADD ACCOUNT" and "ADD HASHTAG" under the Hashtags section, and "ADD HASHTAG" under the Locations section.

Annotations:

- A callout bubble points to the "Hashtags" section with the text "Account tag type setup,".
- A callout bubble points to the "Locations" section with the text "Follow tags".

3.9.1. DASHBOARD - WEBSITE(BUILDER)

The screenshot shows the 7QUBES Website Builder interface. On the left, a sidebar lists various dashboard and website builder options. A green 'X' icon is placed over the 'Builder' option. The main area is titled 'Website Builder' and shows a hierarchical tree under 'Pages' for a 'Landing Page'. The tree includes 'Nav Bar', 'Container', 'Link', 'Button', 'Header', 'Container', 'Container', and 'Footer'. Below this are tabs for 'Components' and 'Sections', with 'Containers' selected. A large central area displays a grid of green diamond-shaped components. A callout bubble points to one of these diamonds with the text 'Style, components design widgets'. Another callout bubble points to a central white circle with the text 'Onboarding theme select placement here'. To the right, there are three tabs: 'Content', 'Style', and 'Advanced', with 'Style' currently selected. A callout bubble points to the 'Containers' section with the text 'Containers for each sections.'.

3.10. DASHBOARD - REPORT()

The screenshot shows a dashboard interface with a blue sidebar on the left and a main content area. The sidebar contains various menu items: Rob Farnandies (profile), Dashboards, Contacts, Billing, Calendar, Communications, Social Media, Finance, Inventories, Website, Report (highlighted with a green X icon), and Analytics. The main content area has a header with Reports, Search Mails..., and a blue bar labeled Standard Reports. A callout bubble says "Reports based on KPI and AI forecasting". On the right, there's an "Export or print" button and another callout bubble saying "Chart types can be change". Below the header are two charts: a line chart titled "Gradient Line Chart" and a bar chart titled "Gradient Bar Chart 1,000,000£".

3.11.1 DASHBOARD - ANALYTICS

The screenshot shows a dashboard interface with a sidebar on the left and a main content area on the right.

Annotations:

- A large white speech bubble with a green checkmark on the sidebar says: "Will add formulas for basic sql data manipulation".
- Two large red "X" marks are overlaid on the sidebar, one near the top and one near the bottom.
- A speech bubble near the top of the main content area says: "Search data of current table".
- A speech bubble near the top center says: "Show graph of current table".
- A speech bubble near the top right says: "Show edit history".
- A speech bubble near the top right says: "Export or print".
- A speech bubble near the bottom right says: "Data integrated in live view".
- A speech bubble near the bottom center says: "Multiple tables can be shown".

Main Content Area:

The main content area displays a table titled "New Hires".
